HESPERUS™ Series

# Unison™ Powerpoint

H2PPH

KASTA

Double horizontal powerpoint

FEATURES

- Slim (9.8mm plate depth), contemporary, glass-look design
- UV stabilised to avoid discolouring
- Fits standard first fix mounting accessories (e.g. C-clips, nail brackets, wall boxes)
- Flush mounting centres (not recessed) for quicker installation
- Deep guided cable terminals allow for fast fitment of cables
- Multiple mounting facilities at both 84mm and 100mm, along with corner fixing points
- Colour coded terminals for ease of identification
- Suitable for loads that use plugs with two or three flat pins
- 5 year warranty
