

s-Go One

10 hours playtime

Enjoy up to 10 hours of wireless playtime on the go with the portable speaker s-Go One.

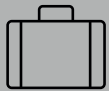

Built-in microphone

Take hands-free calls with the built-in microphone on the lower side of the s-Go One speaker.

Powerful sound and bass

Integrated Class D amplifier controlling its two powerful audio drivers and a bass radiator.

Traveling pouch

Keep your speaker protected when you are on the move with a soft traveling pouch.

Wireless

Experience your music with complete wireless freedom through Bluetooth 4.2.

Introduction

Engineered with an integrated Class D amplifier controlling its two powerful audio drivers and a bass radiator. The s-Go One provides quality sound for you on-the-go while in perfect form.

Small enough to slip into a tote bag or a already filled suitcase, bring the party with you wherever you go.
